

Toy Fair News by das spielzeug und baby&junior

The magazine «Toy Fair News by das spielzeug und baby&junior» appears on the first three days of the Spielwarenmesse toy fair in Nuremberg. The publication is presented in an i-pad format for improved navigation around the fair, providing visitors with everything they need to know about the Spielwarenmesse.

Each issue comprises an exhibition guide, featuring tips on what is really relevant and which stands are not to be missed.

Thanks to the extensive distribution with promoters at Nuremberg main station and in the surrounding hotels, visitors are already prepared for the day in the morning before the start of the fair.

As part of our communications mix, the print issues are complemented by our online concept. Newsletters before and during the fair, das spielzeug's online presence and, above all, the LIVETICKER and social stream during the Spielwarenmesse guarantee you all-round brand exposure!

Benefit from the added value:

All three daily editions will be pushed about our newsletter and are available on www.dasspielzeug.de.

Target group:

All visitors to the Spielwarenmesse and specialist retailers/manufacturers in the toy and baby & infant segments as well as their agencies and associations.
